## Heathy food for our kids

One of the biggest jobs that we have, besides raising 500-plus children, is finding a way to effectively and economically feed all of our children and staff. ## Christmas gift for a child

You can specify the home if you wish. Sending a physical gift in the post can be expensive and we have no guarantee that it will arrive safely. This is why we suggest giving a gift to the sharing fund, so that we can buy all of our children Christmas presents and make Christmas day special with a delicious meal and fun activities for the kids!

Price guide: \$30 = Average cost of Christmas gift for one child.
